2's May Newsletter

April was an 'eggs-citing' month for the 2's! We enjoyed learning the real reason for Easter through our Easter Story, and had fun at our Easter Parties and Egg Hunts. Many beautiful Easter crafts were made too. We also learned how different kinds of weather affect us, especially experiencing it during April. Our color was purple, our shape was the oval, and our letters were V, W & X, along with the number 8. It was fun celebrating Earth Day too and learning how to keep our planet clean. We also read some Nursery Rhymes and created crafts and activities to go along with them.

And now it's **May** already! We are so blessed to have the privilege to teach your children this year. They have all grown leaps and bounds ever since they started, and each child is unique and special—holding a special place in each of our hearts.

In May, we will talk about what grows in the spring and what they need to grow, along with caterpillars and butterflies. We have a bunch of exciting activities planned for the kids and a special day for Moms! And we will be counting down to the **End of Year party**. Specific information will be sent home regarding this party.

And then it will be summer. You can sign your child up for our **Summer Explorers** program. Info was sent home in your child's folder so check it out.

Save the Date!

Moms, save the dates of 5/9 and 5/10 for our **Mother's Day Celebration**. We would like to celebrate you. It will be first thing in the morning and will be sent home so check your child's folder.

May Dates to Remember

5/9 & 5/10 Mother's Day Celebration
5/16 & 5/17 Wear Blue
5/23 & 5/24 End Of Year (EOY) Parties
5/24 & 5/25 Last Days of School

We hope you have a wonderful summer!

Reminder: We go outside every day weather permitting so please remember to send your child to school in closed toe shoes and put sunscreen on your child prior to school to protect their skin from the sun.
